Acting Chief of Police

Comparing this year to the last two years we have had fewer larcenies from autos. Criminals target the Village because they continue to find unlocked vehicles. **Residents need to lock their vehicles and remove valuable items to avoid being victims of these types of crime.**

If anyone has information that might be related to this incident please contact the Chevy Chase Village Communications Center at 301-654-7300. Please continue to contact the Chevy Chase Village Communications Center to report anything suspicious.

Re-Instatement of the Neighborhood Watch Program

Neighborhood Watch is a community run program with the Village Police providing information and assistance as needed. Any residents who are interested in participating in this program are asked to contact Acting Chief Adventino Dasilva by email at Tino.Dasilva@montgomerycountymd.gov. If sufficient interest is demonstrated a meeting will be conducted to discuss program implementation and required training.

Benefits of Neighborhood Watch

There are obvious benefits Neighborhood Watch volunteers and their communities have experienced throughout the years such as:

- Crime prevention
- A better quality of life
- A greater sense of security, responsibility, and personal control
- Build community pride and unity
- Preparing for helping ourselves and others in our community
- Citizens become the extra "eyes and ears" of law enforcement personnel

The Five Steps of starting a Neighborhood Watch

Step 1: Recruit and organize as many neighbors as possible.

Step 2: Meeting with the Chevy Chase Village Police Department.

Step 3: Discuss community concerns and develop an action plan.

Step 4: Hold regular meetings and train on relevant skills.

Step 5: Implement a phone/email tree and take action steps.
