

Committee for Western Grove Urban Park
January 28, 2014

Agenda

1. Welcome
2. Update on progress toward construction of Park
3. The role of the Committee with the Board of Managers and with the Dept of Parks
4. Final construction documents—As we did for the facility plan, we will make specific recommendations for the final construction documents. These recommendations will be more specific, and focus on the final design, including donor items, materials to be used, furniture, and landscaping, and more. **We will make the recommendations over the next few months, and tonight we will discuss our timeline, and how we will make the best decisions.**

Here is the list of items (probably missing a few things) that require recommendations:

- a. Brick walkways—brick? Brick pattern? Same as CCV?
 - b. Lighting fixtures—same as along Belmont path?
 - c. Fence along Western—4 feet, wrought iron
 - d. Entry ways –design and materials
 - e. Plaza area—height of wall, stone work, type of Furniture
 - f. WIFI—through Comcast? Check Town of Rockville
 - g. Landscaping
 - h. Benches
5. Donor Items—Water Feature, Human Sundial, enhancing programmed items, like fence
 6. Fundraising—relationship to Board of Managers and Montgomery County Parks Foundation
 7. **Staying on the Committee—Please let me know affirmatively that you wish to remain on the Committee. I hope everyone stays on! We have been awesome, and we will stay awesome!**
