

October 2012 CCVPD Highlights

Crime/Operational Items

1. **Thefts from auto:** There were 17 this month; 16 of them involved unlocked vehicles. 8 occurred in one night (10/16-10/17).
2. **Hurricane Sandy:** Every dispatcher and police officer came to work on time, prepared to stay as long as necessary, and everyone worked through the storm in an exemplary manner. Great job by all.
3. **Halloween:** We adjusted schedules and put 5 officers out on foot and in cars for high visibility patrol; it was scary, but all went well.

Personnel

1. **Training:**
 - Officers continue to fulfill state mandated in-service training requirements
 - Chief Fitzgerald attended Critical Incident Management training (free) sponsored by the MCPD
 - Chief Fitzgerald attended the IACP annual seminar in San Diego 9/28-10/3

Administrative

1. **Mock CALEA Assessment:** On October 24, seven persons from five police departments in the region put us through a mock assessment to evaluate our readiness for the official assessment scheduled for April, 2013. At the conclusion, they reported that we were in fine shape; kudos to Public Safety Coordinator Ms. Jacqueline Parker who is our accreditation manager!
2. On October 26, Chief Fitzgerald **met with GEICO** representatives and thanked them for their grant; they are enthusiastic about our bait car program and are glad to help us with the effort.
3. We have **received delivery of our new mobile laptop computers** (thank you); they are being loaded with software and tested now; soon to be operational
