

Crime Activity for the Week of June 17, 2013

2 daytime theft events:

Bicycle stolen from a detached garage; items taken from an unlocked construction truck

Newlands Street between Connecticut and Brookville: On Monday, June 17 at about 3:30 p.m., two backpacks containing cell phones and personal belongings were taken from an unlocked construction vehicle. Suspects are described as two black males operating an older (late 1990s or early 2000s) white Lincoln sedan. The suspects apparently pretended that they were working on their car while they waited for an opportune moment to steal from the truck. The victim reported this event the day after it occurred.

Oxford Street between Broad Branch and Primrose: On Thursday, June 20 at about 6:45 p.m., a bicycle was stolen from an unlocked detached garage. A neighbor who witnessed the theft described the thief as a black male in his early 20s with a thin build and chin-length brown hair in dreadlocks wearing an orange striped shirt and jeans. Village police responded immediately and did not locate the suspect.
