

## AGENDA

Committee will meet outside in Western Grove Park  
On Wednesday, June 8, 2022 at 4:00 pm  
In case of rain, the meeting will be at  
The Village Hall

- I. HONEYBEE TALK: Latest news Margo Kingston
- II. BUFFER: The Montgomery County engineer has made recommendations to help stem the water runoff. Ellen Sands
- III. FERNS: The Village planted ferns in the fall. They have survived the winter well. We hope this stand of ferns will spread and consolidate to keep out weeds and will be a welcome sight for walkers going in and out of the Village. Susan Kilborn
- IV. Old/New Business
- V. Meeting Adjourned

\*\*\* \*\*

BOXWOOD Propagation Workshop: Members will put fresh boxwood cuttings into a medium of peat moss, vermiculite and sand, potentially creating a new generation of small boxwood shrubs made from cuttings of the old stand of boxwood near Chevy Chase Circle.
