

## June 2018 CCVPD Highlights

### Crime/Operational

- **2 bicycles stolen from open or unlocked garages** from the unit block of Oxford Street (6/3) and from Grafton Street between Kirkside and Wisconsin (6/24). One bicycle was valued at \$2,000; the other at \$900.
- **3 contractor vehicles were entered on June 28 during the daytime.** Locks were punched on two of the trucks and tools taken (5600 block of Grove and unit block of Grafton). Nothing taken from the third (unit block of Hesketh).
- Valuable jewelry discovered missing from a home; owners believe the theft occurred during a realtor's open house (middle block of Grafton).

### Administrative

- **We have joined CARFAX for Police.** Free of charge, access to useful investigative tools, and they offer online collision reports to persons involved in the crash which will increase customer convenience and reduce our workload.
- **We just implemented a digital parking citation platform.** The vendor has provided devices to capture the data (including evidentiary photos), print the citation, store the data and prepare an electronic court file on vendor-supplied tablets. Cost neutral to us, but big improvement over Montgomery County's system.
