

August 2022 CCVPD Highlights

Operational

- **Nighttime burglary and auto theft:** On Tuesday, August 16, unknown persons entered the unlocked back door of a home in the middle block of Hesketh Street, took a laptop and a backpack (containing a key fob) from inside the home, and drove off in the residents' SUV. The car was recovered two days later in Northeast DC with significant damage. Video from a neighbor's security cameras captured 3 persons getting into the stolen car.
- **Honda air bags stolen:** Overnight August 9-10, someone broke the driver's window of each of two Hondas (a Honda Accord in the unit block of W. Lenox, and a Honda CRV in the unit block of W. Irving) and removed the air bags from the steering wheels.
- **Attempted theft from mail truck:** On August 4 at 5:00 p.m., a USPS mail carrier was outside of his truck delivering mail to a home near the intersection of Kirkside and Center when he spotted a man pulling on the mail truck's door handle in an attempt to get into the truck. The mail carrier ran back to his truck causing the thief to run back to his car and drive away. The carrier described the suspect's car as a blue Toyota SUV.
- **Pair of license plates taken:** Between the hours of 5pm and 1130pm on August 12, a thief stole both license plates from a car in the unit block of W. Irving. The tags were recovered in Greenbelt, MD when a citizen notices the stolen tags had been placed on her car.

Administrative

- **Active shooter training:** Four officers participated with County officers in a day-long hands-on active shooter response training at Silver Creek Middle School in Kensington. The officers reported that this exercise was some of the most valuable training they've ever received.
- **SafeSpeed RFP closed with 2 submissions:** We will be recommending a vendor at the September Board Meeting.
